48 Hours before you dig call SUNSHINE 1.800.432.4770. It's the Law in Florida.

Work performed must conform to all City Ordinances regulating the use and construction of structures and the work authorized by this permit. It is the Owner/Contractor responsibility to call for appropriate inspections as required by City Code and applicable construction codes.

Notice: Contact Orange County Environmental Protection Division at 407.836.1400 for Demolition and Asbestos Removal Notification Requirements Prior to Start of Demolition or Renovation Work.

Final evaluation and approval of assigned building, room, and area Maximum Occupant Loads shall be done by the City of Orlando Fire Marshal. The Maximum Occupant Load of any building, room, or area may be reduced by the City of Orlando Fire Marshal to meet minimum Fire Safety Codes and Standards.

Issuance of this permit does not in any way create any right on the part of an applicant to obtain a permit from a state or federal agency and does not create any liability on the part of the City for Issuance of the permit if the application fails to obtain requisite approvals or fulfill the obligations imposed by a state or federal agency or undertakes actions that result in a violation of state or federal law.

All other applicable state or federal permits must be obtained before commencing development.
